

2017 MWR Financial Income Disclosure Statement

Quick Facts:

- Average Per Capita Income in the USA 2015 (12 Months) = \$30,240 (https://en.wikipedia.org/wiki/Personal_income_in_the_United_States)
- The average length of time for a Financial Consultant to reach the rank of Manager has been less than 2 months.
- The average length of time for a Financial Consultant to reach the rank of Senior Manager has been less than 3 months.
- The average length of time for a Financial Consultant to reach the rank of Area Manager has been less than 6 months.
- The average lengths of time for a Financial Consultant to reach the ranks of District Manager, Regional Manager and National Manager has been less than 18 months, although these ranks have been achieved in less than 6 months.

The MWR Financial Compensation Plan is an exciting opportunity that rewards you for selling remarkable consumer services and for overriding customer commissions you get by sponsoring other Financial Consultant who do the same. Although the opportunity is unlimited, individual results will vary depending on the commitment levels and sales skills of each Financial Consultant. The numbers below reflect 6-month average annualized earnings per paid-as rank for the period ending August 31, 2017.

Manager (17.9%) - \$1,414.27

Senior Manager (6.8%) - \$6,916.22

Area Manager (2.1%) - \$38,637.48

District Manager (< 1%) - \$89,323.80

Regional Manager (< 1%) - \$196,933.84

National Manager (< 1%) - \$568,842.51

The earnings of Financial Consultants in the above chart are based on total Active and Qualified consultants and are not necessarily representative of the income, if any, that a Financial Consultant can or will earn through the MWR Financial Compensation Plan. The success of a Financial Consultant depends on his or her skillset, work effort and desire to succeed. For more information on the MWR Financial Compensation Plan, please visit:
